

## **BROOKS OPENS NEW ORMOND BEACH OUTPATIENT CENTER**

JACKSONVILLE, Fla., *January 15, 2007* – Brooks Rehabilitation recently opened its newest outpatient center in Ormond Beach. The Center, located on SR 40 next to the Jena Medical Center, provides physical therapy, occupational therapy and speech therapy for all age groups. The Brooks Ormond Beach Center treats a wide range of patients, including orthopedic, neurological and post-operative patients, as well as those with repetitive trauma and sports and work related injuries. This new location provides world-class rehabilitation services to a quickly growing market.

Manager of the center, Shanthini Ravikumar, brings a many years of physical therapy experience to the position. Ravikumar received her Master's Degree in Physical Therapy from St. Ambrose University in Davenport, Iowa. She is currently a member of the Orthopedic and Women's Health sections of the American Physical Therapy Association.

The Brooks Ormond Beach facility is located at 1180 W. Granada Blvd., Suite C, in Ormond Beach. For information please call (386) 898-0220.

###

*Serving the community for more than 35 years, Brooks has a long-standing tradition of providing quality inpatient and outpatient rehabilitation care to Northeast Florida and Southeast Georgia. Our 143-bed acute physical rehab hospital is unique in the region with a highly trained staff and an unmatched range of services. We have an extensive network of outpatient centers as well as a cutting-edge research facility which allow us to provide the best continuum of care possible to the communities we serve. As a non-profit health system, we are deeply dedicated to meeting the needs and improving the health of our community. Brooks is more than rehabilitation. It's about being you again.*
